

MORONGO EDUCATIONAL FOUNDATION, INC.

“Invest in Excellence Invest in Our Future”

December 15, 2019

Joshua Tree Residential Education Experience
Board of Directors
PO Box 980
Joshua Tree, CA 92252

It is a great pleasure to write this Letter of Support for the Joshua Tree Residential Education Experience (JTREE) on behalf of the Morongo Educational Foundation. The Foundation voted unanimously at a meeting held on December 11, 2019, to express its members' enthusiasm for the Joshua Tree Residential Education Experience and all it will do for the students in the Morongo Basin.

The Morongo Educational Foundation members are confident that the JTREE will make a positive difference in the lives of many students and community members by providing environmental education and encouraging them to be the ecological stewards of tomorrow. We are confident this program will empower our students to make a difference in society and build their self-esteem, personal knowledge, and skills. Their residential program, which includes interdisciplinary educational experiences, the integration of science, technology, math, social and cultural sciences, and the humanities, is sure to be a great motivational learning tool for our students.

If we can be of assistance to the Joshua Tree Residential Education Experience, please do not hesitate to contact us through our secretary, Debbie Manna, at debbie.manna@morongo.k12.ca.us or on my cell at 760-985-7836.

Kindly,

Vonda Viland
Executive Director
